Dr. Thomas S. Osdene
Director of Research
Philip Morris U.S.A.
P. O. Box 3D
Richmond, Virginia 23206

Dear Dr. Osdene:

Enclosed is interim report No. 21 on project C-172 which we hope will meet with your approval.

Although some unforeseen circumstances caused a delay in finishing this report, experiments are progressing satisfactorily on studies which were discussed at Mr. Carpenter's visit with us in mid-December 1969.

Sincerely yours,

Cornelis G. Van Dongen, Ph.D.
Research Associate
